Disney FROZEN

Summary

I am a little Disney fan. Recently, I read Disney Movie Bilingual Reading—Frozen. This book tells a story of true love and affection between two sister princesses, Elsa and Anna, who live in the kingdom of Arendelle.

Sister Elsa is born with the magic power to create ice and snow. Once when the sisters are playing with snow, Elsa's magic power hurts Anna. Elsa tries to hide herself away and escape, but loneliness makes her feel more helpless and fearful. I like Anna because whenever she faces difficulties, she sings to encourage herself and people around. Anna loves Elsa; she sacrifices her life for Elsa. Elsa also loves Anna, and uses her love to thaw her frozen figure.
